

Recovery Learning Centers (RLC) and Recovery Connection Centers (RCC)

Vinfen, as of March 18, 2020, has closed all RLC and RCC building facilities in Massachusetts. Arrangements have been made with program members to ensure each person receives comprehensive services during this time. Peer support will be available by phone and videoconferencing. Although building facilities will be closed, supports provided to members will be ongoing.

When calling into your RLC or RCC, please make note of a COVID-19 (Coronavirus) specific voicemail that provides contact information regarding the program director and who will be available for peer support services while the program facility is closed. Vinfen staff will continue to investigate further options to make sure each person receives the individualized care they need. Please see below for program contact information:

- Cambridge/Somerville RLC 617-863-5388
- Quincy RCC 617-405-5263
- Fall River RCC 508-675-3137
- Hyannis RCC 508-815-5218
