

Continuing Education Information for Licensed Alcohol and Drug Counselors and Assistants

Vinfen's Moving Images Film Festival

March 20, 2021

Vinfen has been approved by the Massachusetts Department of Public Health, Bureau of Substance Abuse Services/LADC Unit to offer 6 Continuing Education contact hours for this event.

We appreciate you taking the time to fill out this evaluation with some thoughtfulness and care. Please note, attendance will be monitored via the Eventive platform and only Licensed Alcohol and Drug Counselors (MA licenses) who view all films and live panel discussions to their entirety will be eligible to receive a CE Certificate.

Please return this form via email to filmfestival@vinfen.org by March 26 in order to receive continuing education contact hours. Your certificate will be emailed to you once the event concludes within 30 days.

It is essential Vinfen has your email address and license number for certificate purposes. Thank You.

EVALUATION FORM

NAME (optional): _____

I. **Achievement of Conference Objectives:** Please rate the degree to which you feel that the conference met each stated objective on a scale of 1-5

1 = strongly disagree 2 = disagree 3 = neutral 4 = agree 5 = strongly agree

Participants will increase their knowledge of, and be able to identify and discuss:	Rating:
a. Learn about first-person experiences through film to illustrate the varying level of impact on one's sense of self-worth and acceptance in one's community; cultural assimilation of mental health and developmental disabilities.	
b. Learn through film and panel discussions, to appreciate and partner with emergency services personnel (police, hospital emergency department, ambulance) to develop treatment appropriate responses by decreasing punitive and restrictive practices. • Learning to connect with people in a safe manner through active communication and emotional validation strategies.	
c. Learning about the impact of deinstitutionalization in the 1980's and the current criminalization of people with mental health issues by expanding the role of Licensed Alcohol and Drug Counselors to improve social services at the systemic levels of support and intervention through advocacy, policy, program development, and service delivery for a more humane and therapeutically effective treatment for people with mental illness in our American society.
